

# Annual Sponsorship Benefits

## Welcome to IFMA Greater New York Chapter!

Thank you for considering Sponsorship of the IFMA Greater New York Chapter. It is because of sponsors like you that we are able to offer the incredible educational and networking opportunities to all of our members and the Greater New York Community of our incredible industry.

In the following pages we have outlined all the opportunities, along with the benefits of each tier. Beyond these pages is a wonderful chapter of people that are committed to making sure your sponsorship dollars are utilized in crafting opportunities for all of our members while highlighting our sponsors in an abundance of unique ways throughout the year. Additionally, these opportunities may push beyond what is written, as our goal is to make sure you get as much exposure as possible.

Offerings such as tickets to our events, programs and more are always available to our sponsors. Our sponsorship committee alongside our marketing team is constantly coming up with ideas on how to better our sponsorship experience and include more for all of you that support our chapter.

If you are interested in becoming a sponsor of IFMA Greater New York City please review and complete our registration form located on the last page of this brochure. Please note, sponsorships do not come with individual memberships. We can assist you with helping the individuals of your firm that plan to be active within the chapter with their memberships as well. Our chapter only accepts sponsorship payments through a check or wire transfer. Please make checks payable to **"International Facility Management Association Greater New York Chapter"**. If you wish to pay by direct wire transfer, please contact our office at [info@ifmanyc.org](mailto:info@ifmanyc.org) or 212-986-1609.
